

We've teamed up with a series of public libraries in Kent County, Delaware, USA for a pen pal program. Make new friendships and learn about another persons culture and life experiences via snail mail!

Simply fill out this sign-up form to be paired with a similar participant from Delaware. When we've found you a pen pal we will email you! Then write your letter and bring it to the library - we'll take care of the international postage and you'll be notified when to pick up your letters.

Please note: Dear Delaware is open to adults, teens and children over 5 years old. In-person sign up and parental permission is required for participants aged 5-15. Online sign up is only available to participants aged 16+.

Your responses will be kept confidential and will be shared with a Delaware librarian in the pairing process. Your membership number and email address will not be shared. Your pen pal will receive only your name, age and interests. Wellington City Libraries will use your email address to notify you of letters to collect and any updates or changes to the program. Information provided will not be used for any other purposes. We do not encourage sharing of sensitive personal information, including home addresses.
